

DESI BRIDE DREAMS

Client Name
Full Wedding Planning Proposal

6th November 2018

Introduction

Thank you firstly for connecting with us, we at Desi Bride Dreams would be delighted to be considered to provide wedding planning services for your dream wedding.

After our phone consultation, we would like to propose a full wedding package, which we feel would be the perfect fit for your dream day.

Within this proposal you will find the following:

- Your dream day brief
- What's included in the wedding planning package
- Benefits for you
- Additional services
- The investment required
- Client testimonials and About us

Your Dream Day

Our wedding planning proposal is based on the following brief:

- Full wedding planning package for the Sikh wedding ceremony and wedding reception across two days
- XXXXXX 2019
- 400 guests

What's Included

Our wedding proposal includes the following:

- A kick off meeting to discuss your vision and style for the wedding
- Full research and planning for all wedding planning categories. Please see the next page for further information
- Sourcing the dream supplier team for your wedding ceremony and reception
- Regular updates to ensure everything is going to plan as your wedding date is very soon
- Being your first port of call for anything wedding related

Wedding Services Provided

Our wedding proposal includes the following services for both the wedding and reception:

- ✓ Catering
- ✓ Photography
- ✓ Videography
- ✓ Design and décor including AV and production
- ✓ Research and selection of stationery suite – this includes invitations, guest books and signage, seating plans and name cards etc.
- ✓ Cake
- ✓ DJ and Dancefloor
- ✓ Entertainment
- ✓ Bar options
- ✓ Bridal makeup artist
- ✓ Transportation for guests
- ✓ Accommodation options for guests
- ✓ Compiling a detailed timeline and distributing to all suppliers for the wedding and reception
- ✓ On the day coordination via myself and the team for both days

The Benefits – Part 1

Our wedding proposal offers the following benefits:

- ✓ Making your big day run smoothly and stress free for you, and your family and friends
- ✓ Leveraging a contact list of reputable suppliers and networks to ensure you have a relaxed and amazing day
- ✓ Allow us to do all the hard work by researching and hand picking talented and reputable local supplier teams
- ✓ Plan and execute your wedding and reception on time and on budget

The Benefits – Part 2

Our wedding proposal offers the following benefits:

- ✓ Save hundreds of hours with the thorough supplier and vendor sourcing we do on your behalf
- ✓ Ensuring all the logistics are fully organised, so you always feel in control and on top of things, with regular meetings and updates
- ✓ We pass on all commissions and discounts to you so that overall you will benefit from our preferred supplier rates with all our suppliers
- ✓ Most of all, have fun during your wedding planning journey

Additional Services

In addition, the following services are also included in your package:

- ✓ Unlimited email and phone support
- ✓ Negotiating the best rates with all suppliers involved which saves you thousands
- ✓ Thoroughly checking all contracts, terms and conditions as well as identifying any unnecessary costs
- ✓ Six planning meetings
- ✓ Main point of contact for all suppliers and family
- ✓ Access to the Desi Bride Dreams wedding management software

Investment

See below for a breakdown of the investment required:

- The fee for this package would be £xxxx. This includes full wedding planning and coordination across both days
- If you would also like to include a venue search within the full wedding planning this would be an additional investment of £xxxx. We would present five venue options within the comprehensive venue search report to you in line with your criteria
- Assistant and travel charges are also included across both days
- This proposal is valid for 14 days from the date of issue
